

I'M REFUSING PARCC

In accordance with written directives provided to all schools by CPS CEO & Chief Education Officer on March 23, 2016, this card is written notice of my refusal of this and all other units of PARCC testing. Thank you for respecting and understanding my and my family's decision to not participate in PARCC.

Every student has the right to refuse PARCC testing.

PARCC is not required for promotion or graduation, and scores are not used for admission to selective enrollment schools or colleges.

No school has ever lost money due to students refusing state testing.

You do *not* need a letter from a parent to refuse the test.

You may do school work or read quietly while others are testing, and you should NOT be made to 'sit-and-stare'.
